would become attenuated. My question will have therefore be considered with ref to the Budget of the Board for 1942-43. If the provisions are reduced, then the necessity for the temporary establishment would perhaps vanish. My will therefore be put up along with the Budget Estimates of the Board for 1942-43 which have been sent back to the Chairman for revision & retransmission

Requests early orders of Govt in the matter of the Continuance of the temporary estt consisting of 2 clerks & 2 subordinates in the T Bd during the year 1942-43 & also requests permission to disburse the salary of the said estt for July 1942, payable on Aug 42.

This question has been ordered to be put up with the Budget estimates of the Board for the year 1942-43

Vide orders in paras 2-4 supra

CMB 27/7 CS 27/7 As Govt have sanctioned only a grant of Rs 75,000 to the Improvement Trust Board for 42-43, the question would become academic hence it is thought not necessary to continue the temporary establishment of 2 clerks & subordinates during the year. This could be considered when scrutinising the Budget of the Board for 43-44, about which a revised estimate has been called for from the Chairman but not received & awaited

In the meanwhile, the continuance of the establishment during the month of July 42 may be sanctioned, the Chairman being requested to expedite the submission of the revised Budget Estimates & depute your above mentioned establishment as called for.
